

My family was appalled to learn that Sinclair Broadcasting's has decided to force their stations to air an anti-Kerry documentary days before the election. This is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve the input of all concerned citizens. Thank you.
